ASEAN+3 FETN NEWS

Activity: Joint Comparative Study of FETP Thailand and Philippines
Date: February to March 2015
Venue: Ministry of Health Philippines, Ministry of Public Health, Thailand

A comparative study to retrieve best practices was conducted between FETP Philippines and Thailand. The study team is composed of Dr. Yongjua Laosiritaworn and Dr. Pantila Taweewiyakarn from FETP Thailand and Dr. Alethea De Guzman and Mr. Julius Erving Ballera from the Philippines FETP.

The team developed study tools and visited the FETP program in both countries for data collection. Data were collected by reviewing documents, observing related activities and interviewing key personnel including the program directors. After data analysis, the study team compared two programs by key aspects and documented the good practices. Report of this study has been circulated among FETN member countries.
