

ASEAN Plus 3 FETN Coordinating office was invited to attend APHECS Phase 3 virtual briefing session with relevant ASEAN non-health sectors, 15 January 2025 from 04:00-06:00 PM Bangkok time.

The screenshot shows a Zoom meeting interface. The main content is a slide with the following text:

Purpose and objectives of the Meeting

To orientate and brief relevant non-health sectors, health and non-health centres and mechanisms of ASEAN on the APHECS initiative, framework and proposed institutional mechanisms and standard operating procedures.

Specifically, the Meeting aims for relevant sectors, centres and mechanism to:

- Be familiar on the purpose, objectives and phases of APHECS, as well as on the APHECS Framework
- Understand the purpose, objectives and steps in the development of the APHECS IM and SOP, as well as appreciate and overview of existing ASEAN, regional and international SOP already in place
- Be familiar with the proposed IM and SOP
- Review and discuss the agenda of the proposed in-person consultation meeting
- Ensure participation from all those who are relevant to the primary implementation of APHECS

The Zoom interface includes a top bar with 'zoom Workplace', 'Meeting', 'ASEAN Health Division's screen', 'Sign in', 'Recording', and 'View'. The bottom bar shows 'Audio', 'Video', 'Participants (44)', 'Chat', 'React', 'Share', 'AI Companion', 'Apps', 'Record', 'More', and 'Leave'. The Windows taskbar at the bottom shows the search bar and system tray with the time '4:30 PM 1/15/2025'.
