

ASEAN Plus 3 FETN conduct the consultative and discussion meeting with RPHL Network to discuss the possibility of collaboration to strengthen the capacity work plan in the region on Thursday, 3 Aug 2023, from 11:00 – 12:00 AM Bangkok Time.

The screenshot shows a Microsoft Word document titled "DTRA\_(...)". The document content is as follows:

<p>Molecular epidemiology, Pathogen Genomic surveillance for infectious diseases (Singapore: suggest TB as a common priority area)</p>	<p>13 countries (different level of requirements)          - Focusing on Application          - Participants can be lab and epi and logistician, policy staff          - We need to have the criteria to define which one we will use the WGS          - Who are the ones to provide the training?          - Lab and epi should be pooled together in the same class          - Wastewater surveillance</p>	<p>Experts from others?          Singapore Academia          Singapore: Can be mix of PH lab members as well as partners</p>
--	--	--

The Zoom meeting window is overlaid on the right side of the document. It shows a grid of participants:

- Top left: Panithee FETP-TH
- Top right: Thailand-Koimchaluch Taweese...
- Center: RPHL
- Bottom right: Thailand, Jintana S
- Bottom center: Thailand - Khan...
- Bottom right (smaller): Thailand - Khanchit L

At the bottom of the Zoom window, the text "Wastewater molecular surveillance" is visible.

The Windows taskbar at the bottom shows the date and time as 11:08 AM 8/3/2023, and the temperature as 31°C in Truett.
