

ASEAN Plus 3 FETN conducted the Kick-off meeting among a core group of the project "Strengthening FETN Emergency Rapid Response Capacity: Multisectoral Collaboration and Partnership Approach" on Wednesday, 3 May 2023, from 09:00 – 10:30 AM ICT.

The image is a screenshot of a Zoom meeting. At the top, the Zoom control bar is visible with icons for Unmute, Stop Video, Security, Participants, Chat, New Share, Pause Share, Annotate, Remote Control, Apps, and More. Below the control bar, the slide content is displayed. The slide title is "RRT Definition". The first bullet point is "RRT (Rapid Response Team)". A red text box highlights the definition: "Definition: multidisciplinary team that is ready and deployment to an acute public health emergency of notification." The second bullet point is "Other definition or equivalent in the ASEAN Countries, such as Rapid Assessment Team". At the bottom of the slide, a green box contains the text "Open floor for discussion." On the right side of the slide, there is a video gallery showing four participants in a 2x2 grid. The participants are: KDCA-Sangwoo TAK, Thailand-komchaluch Taweeseene..., Yanee ASEAN+3 FETN Coordinati..., and pasakorn sewi. Below the gallery, the names "Kumnuan Ungc..." and "drsunita" are visible.
